Volcano Explosion!

WHAT YOU NEED:

An empty clean large jar
(e.g. pasta sauce or coffee jar)
A big tray
1 teaspoon of dish soap
1/4 cup of warm water
1/2 cup of vinegar
Bicarbonate soda
A few drops of food colouring

WHAT TO DO:

1. Place the empty jar on the tray.
2. Add the dish soap, warm water, vinegar and food colouring into the jar.
3. Add a teaspoon of bicarbonate soda into the jar. Keep adding more bicarb until the volcano explodes!
